HT550 Wheel Radio Controlled Mower

Unmanned Ground Vehicle

- Model : HT550W
- Mowing width : 22 Inches
- Cutting height : 0.50 - 7 inches
- Max Travel Speed : 4 mph
- Max working slope : 35 degrees
- Movement Method : 48 VDC Electric 4 wheel drive
- Charging method : Self charging (Engine)
 - Engine : Loncin 196 cc 7.5hp EPA Certified
 - Start Method : Hand Pull (Electric Start optional)
- Mower Deck height: Manual
 - Fuel : Gasoline, 1L tank
 - Size : 40.5 in wide, 33 in Long, 19 in tall
 - Weight : 227 lbs (dry)
- Control System : Radio Control
- Autonomous Operation : Available
 - Transmitter : Mircozone MC7
- Max Transmitter Range : 660 Ft
- Optional Add-ons: None

HT550 Track Radio Controlled Mower

Unmanned Ground Vehicle

Model : HT550T

Mowing width : 22 Inches

Cutting height : 0.50 - 7 inches

Max Travel Speed : 4 mph

Max working slope : 45 degrees

Movement Method : Electric drive rubber track

Charging method : Self charging (Engine)

Engine : Loncin 196 cc 7.5hp EPA Certified

Start Method : Hand Pull (Electric Start optional)

Mower Deck height: Manual

Fuel : Gasoline, 1L tank

Size : 36.5 in wide, 36 in Long, 19 in tall

Weight : 291 lbs (dry)

Control System : Radio Control

Autonomous Operation : Available

Transmitter : Mircozone MC7

Max Transmitter Range : 660 Ft

Optional Add-ons: Snow Plow Blade

Sweeper

Snow Blower

HT750 Radio Controlled Mower

Unmanned Ground Vehicle

Model : HT750

Mowing width : 22 Inches

Cutting height : 0.50 - 7 inches

Max Travel Speed : 4 mph

Max working slope : 30 degrees

Movement Method : 12VDC Electric drive rubber track

Charging method : Self charging (Engine)

Engine : Loncin 196 cc 7.5hp EPA Certified

Start Method : Hand Pull (Electric Start optional)

Mower Deck height: Electric (RC)

Fuel : Gasoline, 1L tank

Size : 36.5 in wide, 36 in Long, 25 in tall

Weight : 302 lbs (dry)

Control System : Radio Control

Autonomous Operation : Available

Transmitter : Mircozone MC7

Max Transmitter Range : 660 Ft

Optional Add-ons: Snow Plow Blade
Chemical Sprayer

HT850 Radio Controlled Mower

Unmanned Ground Vehicle

Model : HT850

Mowing width : 32 Inches

Cutting height : 0.75 - 6 inches

Max Travel Speed : 4 mph

Max working slope : 30 degrees

Movement Method : 24 VDC Electric drive rubber track

Charging method : Self charging (Engine)

Engine : Loncin 452 cc 16hp EPA Certified

Start Method : Electric Start

Mower Deck height: Electric (RC)

Fuel : Gasoline 4.5 Gal Tank

Size : 47 in wide, 43 in Long, 25 in tall

Weight : 514 lbs (dry)

Control System : Radio Control

Autonomous Operation : Available

Transmitter : Mircozone MC7

Max Transmitter Range : 660 Ft

Optional Add-ons: Snow Plow Blade
Chemical Sprayer
